## Guest of Honor

Abdulmajid M Nsekela

Managing Director Designate of CRDB Bank. Nsekela rejoins CRDB Bank Plc as Group CEO from NMB Bank where he has been Business Head Retail, a position he has held since December 2015. At NMB Bank he is credited with transforming the retail infrastructure by increasing the number of branches from 123 to 225. He also accelerated the digital channels by launching NMB Mobile in 2010, which has 1.9 million users and creating an agency banking network of 6,086 agents. The NMB Mobile was the first mobile banking service to be offered in Tanzania.

## Keynote Speaker

Hans Determeyer

He holds a degree in African Studies from Leyden University in the Netherlands with a focus on information flows in low literacy societies. As Fund Manager he is specialised in civic engagement in good governance and inclusive policy processes. His experience cuts across various sectors: health and education, human rights, extractive industries, small industries and rural development, and also includes less common development sectors: creative industries and the media sector. Partners that Hans has worked with range from grass-roots level initiatives up to policy research institutions and political society.

## Keynote Speaker

Buberwa Kafanabo

He holds a Bachelor of Science in Agricultural Economics from Sokoine University. Upon completion, he worked for two years for the world's largest buyers of tobacco, Universal Leaf Tobacco as a regional representative in the Tabora region. He has also completed his Masters in Business Administration with a major in Marketing at the University of Dar es Salaam. Since then he has worked for Technoserve as a business advisor in Iringa and at the Kilimo Trust as a programme associate.

## Hultprize UDSM Director

Simba Khalid Simba

He is director of Hult prize; On Campus Program at the University of Dar es Salaam, also a student pursuing BSc. Mining Engineering he devoted the last six month organising and strategising a program that can empower students with different ideas that can provide job opportunities, to have an impact on the society.

# BEST-Dialogue

The BEST-Dialogue programme has innovatively evolved into four areas representing the key outputs, working in synergy for sustainable results:

Advocacy and dialogue - supporting private sector organisations in undertaking research, advocacy and dialogue

Media and communication - engaging the media in the business enabling environment (BEE) agenda

Capacity building - developing the competencies of staff of private sector organisations and the network of researchers and the consultants who serve them

Knowledge management - collecting, archiving and sharing research, policies and other valuable information relating to reforming the business environment
