CONGRATULATIONS MR. SAMWEL MCHELE LIMBU

The Vice Chancellor Prof. William A. L. Anangisye and the entire University community wish to congratulate Mr. Samwel Mchele Limbu for being awarded the Excellent International Student Scholarship at East China Normal University (ECNU) for the Academic years 2015/2016 and 2017/2018 as well as the Chinese Government Outstanding International Student Scholarship in the academic year 2016/2017. Mr. Limbu is a Lecturer in the Department of Aquatic Sciences and Fisheries Technology (DASFT), College of Agricultural Sciences and Fisheries Technologies (CoAF) and a PhD candidate at the ECNU.

The awards have been bestowed on him in recognition of his efforts by publishing 11 research articles including his first PhD article in Environment International (<https://www.sciencedirect.com/science/article/pii/S0160412017322456>, impact factor: 7.297) and three book chapters since commencement of his PhD studies at ECNU in 2015. It is also a pleasure to announce that through Mr. Limbu's network, the ECNU management has identified the University of Dar es Salaam as a working station in Africa paving the way for establishment of a joint research and academic laboratory between the Laboratory of Aquaculture Nutrition and Environmental Health (LANEH) and DASFT. He is a very good ambassador of the University of Dar es Salaam.

The Vice Chancellor and the entire University community recognizes the outstanding academic performance achieved by Mr. Limbu and wishes him success in his PhD studies.

Congratulations
