

COMMONWEALTH SCIENCE CONFERENCE

Singapore 13 – 16 June 2017

Open call for funded delegate places

Applications are invited from early-career and established scientists from across the Commonwealth.

The Commonwealth Science Conference 2017 will bring together scientists at all career stages to showcase the best science from across the Commonwealth.

The multidisciplinary programme includes plenary lectures from eminent scientists and sessions on topical issues such as new technologies and their social acceptance, emerging infectious diseases, sustainable cities, low carbon energy, and the future of the oceans.

The conference is a unique opportunity to meet and hear from world leading scientists from across the Commonwealth, and to discuss common challenges.

Deadline for applications is **7 June 2016**.
