CONFERENCE NEW LIBRARY, UDSM 20 & 21 OCTOBER, 2022 CALL FO	R	Resour througi and Inr	ting Sustainable rce-Based Industr h Science, Techno rovation STRACT	ology
7 th International Conference in Mechanical and Industrial Engineering (MIE'2022)				
Conference The but are n	m o		Topics inc mited	lude, to:
Mechanization and Processing of Natural Resources	F	Leather and As	e addition on Agricultural products sociated Products, and other fu lining and Metallurgy; Mineral Bene	or Industrial and
Manufacturing Technology and Innovation)+)	Approaches in E for Sustainabili Methods; Add Development an Adoption, Diffus	nd Use of various Engineering Engineering and Product Design; E ity; Developments in Tradition itive Manufacturing Technolog nd Transfer (Development; Sour sion, Intelligence); Industrial Clus vation Management; Safe technolog	Eco-Design/Design al Manufacturing ies; Technology cing; Adaptation; sters; Technology
Industrial Management]+	Industrial planning (Designing and Scheduling conversions), Industrial Control (Quality, Quantity, Time, Inventory, Cost, Maintenance), and Industrial Organization (structure, job and work Design, Production and Operation Standards, etc.)		
Energy Technology and Systems	and Systems Plant and Facility Management; Renewable Energy Systems: Fuel cells; Solar activated heating, cooling and power generation; Ocean Thermal, Wave, and Tidal power generation; Wind power etc.			
		Thermal, wave,	and ridal power generation;	Wind power etc.
Transport Systems		Automotive; Rai	I Transport; Marine Transport otorised Transport systems; Industr	; Air Transport;
Transport Systems EXTENDEND ABSTRACT		Automotive; Rai	I Transport; Marine Transport ptorised Transport systems; Industr	; Air Transport;
EXTENDEND ABSTRACT	F	Automotive; Rai Pipelines; Non-Mo	I Transport; Marine Transport ptorised Transport systems; Industr	; Air Transport; rial drones etc. Amount
EXTENDEND ABSTRACT SUBMISSION	F	Automotive; Rai Pipelines; Non-Mo A: Physical participan Participant type Presentation and	I Transport; Marine Transport otorised Transport systems; Industr ts Participant Category Local Participants	; Air Transport; rial drones etc. Amount TZS. 500,000/-
EXTENDEND ABSTRACT	F	Automotive; Rai Pipelines; Non-Mo A: Physical participan Participant type	I Transport; Marine Transport boorised Transport systems; Industr ts Participant Category Local Participants Local Student participants	; Air Transport; rial drones etc. Amount TZS. 500,000/- TZS. 250,000/-
EXTENDEND ABSTRACT SUBMISSION UNTIL 24 TH JUNE 2022	F	Automotive; Rai Pipelines; Non-Mo A: Physical participan Participant type Presentation and	I Transport; Marine Transport otorised Transport systems; Industr ts Participant Category Local Participants	; Air Transport; rial drones etc. Amount TZS. 500,000/-
EXTENDEND ABSTRACT SUBMISSION UNTIL 24 TH JUNE 2022 Send your abstract (up to 250 words)	6	Automotive; Rai Pipelines; Non-Mo A: Physical participan Participant type Presentation and	I Transport; Marine Transport boorised Transport systems; Industr ts Participant Category Local Participants Local Student participants	Air Transport; rial drones etc. Amount TZS. 500,000/- TZS. 250,000/-
EXTENDEND ABSTRACT SUBMISSION UNTIL 24 TH JUNE 2022 Send your abstract (up to 250 words) in MS Word format via e-mail to:		Automotive; Rai Pipelines; Non-Mo A: Physical participan Participant type Presentation and	I Transport; Marine Transport boorised Transport systems; Industr ts Participant Category Local Participants Local Student participants Regional participants(EA, SADC)	; Air Transport; rial drones etc. Amount TZS. 500,000/- TZS. 250,000/- USD 250
EXTENDEND ABSTRACT SUBMISSION UNTIL 24 TH JUNE 2022 Send your abstract (up to 250 words)	F	Automotive; Rai Pipelines; Non-Mo A: Physical participant Participant type Presentation and audience	I Transport; Marine Transport otorised Transport systems; Industri ts Participant Category Local Participants Local Student participants Regional participants(EA, SADC) International participants International students participants	; Air Transport; rial drones etc. Amount TZS. 500,000/- TZS. 250,000/- USD 250 USD 300 USD 150
EXTENDEND ABSTRACT SUBMISSION UNTIL 24 TH JUNE 2022 Send your abstract (up to 250 words) in MS Word format via e-mail to: mieconference@udsm.ac.tz and	}	Automotive; Rai Pipelines; Non-Mo A: Physical participan Participant type Presentation and	I Transport; Marine Transport otorised Transport systems; Industr s Participant Category Local Participants Local Student participants Regional participants(EA, SADC) International participants International students participants SMEs	; Air Transport; rial drones etc. Amount TZS. 500,000/- TZS. 250,000/- USD 250 USD 300 USD 150 TZS 500,000/-
