CONFERENCE

NEW LIBRARY, UDSM

20 & 21 OCTOBER, 2022

**Promoting Sustainable Resource-Based Industries through Science, Technology and Innovation**

# CALL FOR ABSTRACTS

7<sup>th</sup> International Conference in Mechanical and Industrial Engineering (MIE'2022)

Conference Themes & Topics include, but are not limited to:

**Mechanization and Processing of Natural Resources**

Engineering Value addition on Agricultural products for Food, Textile, Leather and Associated Products, and other for Industrial and Domestic uses; Mining and Metallurgy; Mineral Beneficiation

**Manufacturing Technology and Innovation**

Development and Use of various Engineering Materials; New Approaches in Engineering and Product Design; Eco-Design/Design for Sustainability; Developments in Traditional Manufacturing Methods; Additive Manufacturing Technologies; Technology Development and Transfer (Development; Sourcing; Adaptation; Adoption, Diffusion, Intelligence); Industrial Clusters; Technology Incubation; Innovation Management; Safe technologies etc.

**Industrial Management**

Industrial planning (Designing and Scheduling conversions), Industrial Control (Quality, Quantity, Time, Inventory, Cost, Maintenance), and Industrial Organization (structure, job and work Design, Production and Operation Standards, etc.)

**Energy Technology and Systems**

Conventional Energy Systems: Energy Efficiency; Energy Services; Plant and Facility Management; Renewable Energy Systems: Fuel cells; Solar activated heating, cooling and power generation; Ocean Thermal, Wave, and Tidal power generation; Wind power etc.

**Transport Systems**

Automotive; Rail Transport; Marine Transport; Air Transport; Pipelines; Non-Motorised Transport systems; Industrial drones etc.

**EXTENDED ABSTRACT SUBMISSION UNTIL 24<sup>TH</sup> JULY 2022**

Send your abstract (up to 250 words) in MS Word format via e-mail to: [mieconference@udsm.ac.tz](mailto:mieconference@udsm.ac.tz) and [udmieconference@gmail.com](mailto:udmieconference@gmail.com) and copy to: [dpe@udsm.ac.tz](mailto:dpe@udsm.ac.tz)

Selected papers will be published as special issue at Tanzania Journal of Engineering Technology(TJET)

A: Physical participants		
Participant type	Participant Category	Amount
Presentation and audience	Local Participants	TZS. 500,000/-
	Local Student participants	TZS. 250,000/-
	Regional participants(EA, SADC)	USD 250
	International participants	USD 300
	International students participants	USD 150
Exhibition	SMEs	TZS 500,000/-
	Large Industries, NGOs,	TZS 1,000,000/-
	MDAs, R&D, and Higher learning Institutions	TZS 750,000/-
B: Virtual participants		
Presentation and audience	Local Participants	TZS. 100,000/-
	Regional participants(EA, SADC)	USD 100
	International participants	USD 100

**EXTENDED DEADLINES**

July 29, 2022 – Abstract Acceptance notification | Aug. 15, 2022 – Full Paper Submission  
Aug. 26, 2022 – Paper Acceptance Notification
