Programme Description & Duration

This programme is suitable for various categories of clientele such as Adult Education Coordinators/Officers, Community Development Officers, Community and Social Service Workers, Education or Training Officers, Researchers, Programme/Project Designers and Evaluators. The programme is intended to deepen students' understanding of the theory and practice of adult education and community development. It offers a set of academic courses, field experiences and opportunities for reflective practice. It further gives students, including those with special needs comprehensive grounding skills in adult education and community development planning and evaluation, thereby enriching their academic and professional practice in the field.

The programme lasts for 18 Months, and is flexibly designed to accommodate the needs and interests of both local and foreign students.

Please **APPLY** through the Online Admission System (UDSM-OAS) at:
