

UNESCO Chair in Marine Technology at the University of Dar es Salaam, Institute of Marine Sciences.

Welcome to the UNESCO Chair in Marine Technology at IMS

In June 2009, UNESCO established a UNESCO Chair in Marine Technology at the University of Dar es Salaam (Institute of Marine Sciences), P. O. Box 668, Zanzibar. However, the Chair remained dormant after the Chairholder moved from IMS. During the early half of 2023, the University was asked to renew the Chair and IMS was asked to lodge the application for renewal.

The Chair was renewed in May 2023 with an understanding that Prof Ntahondi M. Nyandwi would continue as the Chairholder. Thus, the Vice Chancellor approved the name of the Chairholder with effect from 16th May 2023 to 30th June 2027.

The Chairholder and UNESCO expect to receive full cooperation so that the Chair realizes the purpose of its establishment.

Thanks

Prof Ntahondi M. Nyandwi
